Arthur B. Nagy, Port St. Lucie

Letter: Oravec should be PSL mayor

On March 2, Jo Ann Turner wrote about her meeting with Greg Oravec. I, too, had the same feeling and experience and I, too, will give my mayoral support.

I've attended many Port St. Lucie council meetings while he was city manager and came away saying, "Why is not this man mayor?"

He is what this city needs to get us out of the mess.

Better yet, he wants to do it, and who knows better than he does?

He has the key to run our city, how it should be!

Greg Oravec for mayor!
