Letter: Oravec seeks mayor's seat by virtue of what he offers, not negative campaigning

If you're among the undecided, I urge you to vote for Greg Oravec for mayor of Port St Lucie in the Aug. 26 election.

But don't take it from me or just the endorsement he obtained from TCPalm; go to [oravecformayor.com](http://oravecformayor.com) to become informed. There, you will find Greg's biography, his platform, over 20 letters to the editor explaining why citizens are endorsing him, as well as numerous pictures taken at the many Oravec campaign events.

What you will not find are negative comments about his opponents. He prefers to run on his own credentials. Voters need to know Oravec was the only mayoral candidate to submit the required number of petitions by residents to be put on the ballot. Other candidates took the easy path and wrote a check.

The Oravec election committee collected 1,439 signatures in 35 days when only 1,062 were required.

Over the past few months, hundreds of volunteers have canvassed our city to educate the public regarding Greg's unique and varied qualifications, platform and vision for the future of Port St. Lucie.

You will find Oravec for Mayor signs dotting the yards of city residents who support him. Oravec's is a grass-roots campaign aimed at keeping Port St. Lucie a special place to live for our children and grandchildren.

I encourage voters to review Greg's vision for Port St. Lucie as well as his credentials on the campaign website. Once you do, I believe you will join me in supporting him and cast an informed ballot in this primary race.
